## Medieval knights

Long ago there lived famous king. His name was Arthur. He and his knights fought many battles. The last battle was against his son, Modred. It lasted all day. Mordred was dead and the king was badly wounded. Only one of his knights survived – sir Bedivere. Sir Bedivere took the king to the island od Avalon. The island was in the middle of a lake. Sir Bedivere remebered the day when he received the magic sword, Excalibur from the Lady of the lake. He wanted to return the sword to the lake before he dies.
